

Set 1: Retribution (Swipe Right)

Class Ability 1: Crusader Strike (10% of Base Mana, Instant Cast, 4.5 sec cooldown)

An instant strike that causes 140% of Base Physical Damage.

Class Ability 2: Hammer of Justice (3.5% of Base Mana, Instant Cast, 1min cooldown)

Stuns the target for 6 sec.

Class Ability 3: Divine Storm (5% of Base Mana, Instant Cast, 10 sec cooldown)

An instant attack that causes 100% Base Physical Damage to all enemies within moderate melee range. The divine storm heals the Paladin, totaling 20% of damage caused.

Class Ability 4: Judgement (3% of Base Mana, Instant Cast, 8 sec cooldown)

Judges the target, dealing 20% Base Weapon Damage as Holy Damage and applies a debuff based on the currently selected Judgement Type.

Set 2: Holy (Swipe Left)

Class Ability 5: Holy Light (13% of Base Mana, 2.5 sec Cast)

Heals a friendly target for 130-190 Health. Critical heals double that amount, ignoring the current spell crit multiplier.

Class Ability 6: Exorcism (8% of Base Mana, 1.5 sec Cast, 15 sec cooldown)

Causes 75-125 Holy Damage to an enemy target.

Class Ability 7: Consecration (15% of Base Mana, Instant Cast)

Consecrates the land beneath you causing 380% base weapon damage to all enemies inside the consecrated ground over 12 sec, ticking once every 2 sec. This ability alters the ground around the Paladin's position when the spell was cast.

Class Ability 8: Lay on Hands (100% of Base Mana, Instant Cast, 10min cooldown)

Immediately heals your target for by an amount equal to your maximum health at the cost of your entire mana pool. Cannot be used on a target with the Forbearance debuff. Applies Forbearance for 30 sec.

Set 3: Protection (Swipe Up)

Class Ability 9: Divine Shield (Instant Cast, 5 minute cooldown)

Renders you immune to all incoming damage for 8 seconds. You can continue using spells while under this effect or move, but not melee attacks.

Class Ability 10: Hand of Freedom (15% of Base Mana, Instant Cast, 25 sec cooldown)

When under the effect of this ability you are breaking free of and are immune to all stun and slowing effects for 8 seconds.

Class Ability 11: Ardent Defender (Instant Cast, 1 min cooldown)

Reduces all damage you take by 20% for 8 seconds. While Ardent Defender is active, the next attack that would otherwise kill you will instead bring you to 12% of your maximum health.

Class Ability 12: Light of the Protector (Instant Cast, 30 sec cooldown)

Calls down the power of light to heal you for 30% of your missing health. If standing in your own concecration while activating this ability, you will receive a further 20% heal.

Set 4: Utilities (Swipe Down)

This is a unique set of abilities. Each ability practically sets up a specific Paladin gimmick from a range of given gimmicks. For example, if you tap on Aura Setup ability, you will see a popup with 3 different auras to choose from. A second tap on the aura you want will get the popup away. All abilities here work in the same fashion.

Class Ability 13: Aura (Instant Cast)

The Paladin may choose to activate one of the following Auras:

Devotion Aura

The Paladin and all allies who benefit from this aura acquire an additional 10% damage reduction from all damage sources.

Magical Aura

The Paladin and all allies are protected by an aura that regenerates their mana over time, providing 2% of their base mana every 5 seconds.

Retribution Aura

The Paladin and all allies are protected by an aura that lashes out against any melee attackers, dealing 2% of Base Melee Damage as Holy Damage.

Class Ability 14: Seal (8% of Base Mana, Instant Cast)

The Paladin may choose to activate one of the following Seals on his weapon (Activating a new seal will overwrite the previous seal's effect):

Seal of Righteousness

Fills the caster with holy spirit for 10min, granting each single-target melee attack additional holy damage equal to 15% of base weapon damage.

Seal of Light

Fills the caster with divine light for 10m, granting each melee attack a 20% chance to heal the Paladin for 20% of caused damage.

Seal of Justice

Fills the caster with the spirit of justice for 10m, granting each attack a 10% chance to stun an enemy target for 2 sec.

Class Ability 15: Judgement setup

The Paladin may choose to set one of the following Judgement abilities as his main Judgement attack on Set 1:

Judgement of Righteousness

When an enemy is hit by this type of Judgement it will activate a 20sec debuff that provides a 30% chance to all melee attackers that will restore their health by 2% every time they hit that enemy.

Judgement of Wisdom

When an enemy is hit by this type of Judgement it will activate a 20sec debuff that provides a 30% chance to all melee attackers that will restore their mana by 2% every time they hit that enemy.

Judgement of Weakness

When an enemy is hit by this type of Judgement it will activate a 20sec debuff that will reduce the enemy's melee attack damage by 8%.

Class Ability 16: Blessing (5% of Base Mana, Instant Cast)

The Paladin may choose to buff himself using one of the following Blessings:

Blessing of Might

Infuses a target with divine strength. That target will now be able to deal 10% more melee damage.

Blessing of Wisdom

Infuses a target with divine wisdom. That target will now be able to recover an additional 10 mana per 5 seconds.

Blessing of Kings

Infuses a target with a blessing of kings. That target will now be able to deal an additional 5% base weapon damage, have a 0.1 sec increase in melee attack speed as well as an additional 2% more crit chance. Furthermore that target will have his maximum Health and Mana increased by 10% of their base health and base mana respectively.
